Acknowledgement Letter

Dear Mr. Sai:

This acknowledges receipt of your Freedom of Information Act (FOIA) request to the Department of Homeland Security (DHS) Office of Inspector General (OIG), dated February 9, 2019, seeking all records related to the initiation or commissioning of any DHS Project that is ongoing as of February 9, 2019 (or at time of our search) and that were not obtained or created by OIG after it formally began work on the opened project; <https://www.oig.dhs.gov/reports/ongoing-projects>. DHS-OIG received your request on February 11, 2019, and assigned it the above-referenced tracking number.

Your request has been placed in the queue for processing in the order in which it was received. We anticipate responding to your request within 20 business days. Please note, however, that the actual time required to respond to your request depends on the number and types of responsive records identified and located in our records search. Unfortunately, we cannot predict exactly when your request will be processed, as we currently have a large backlog of requests; however, we are using our best efforts to process all requests with due diligence. We, therefore, appreciate your patience as we proceed with your request.

We have not yet made a decision on your request for a fee waiver. We will do so after we determine whether fees will be assessed for this request.

Should you have questions, contact us at 202-981-6100 or foia.oig@oig.dhs.gov. Refer to the above-referenced tracking number if

you contact us regarding your request. If we require additional information, we will contact you.

Sincerely,

Glenn Lewis
